Fast Tracked Academics Through the Elite Program

This exclusive program is offered to high-achieving students, and guarantees acceptance to a minimum of three top Canadian Universities. With the opportunity to achieve 10 Ontario credits in one school year and the flexibility to retake courses, the program maximizes chances for admission to the university program(s) of choice.

Unique Courses Including:

- Business Leadership
- International Business Fundamentals
- Challenge and Change in Society
- Introduction to Kinesiology
- Data Management
- Travel and Tourism
- Drama
- The Writer's Craft Principles
- Financial Accounting Principles

Elite Basketball and Hockey Programs

The school's unique Basketball and Hockey Academies are elite development programs that provide boarding students with the tools necessary to take them to the next level of their athletic careers. Participating students take part in programs designed to help them reach their full potential through regular practice and games, strength and conditioning workouts, access to top notch training facilities and flexible academic schedules that account for game and tournament travel.

Small Class Sizes

FEA's class sizes are capped to allow for individualized teaching, enabling teachers to support each student and provide 1:1 individualized attention.

Sports + Clubs

Fort Erie offers students a wide range of sports and clubs, including:

- Anime and Manga
- First League Lego Robotics
- Book Club
- Intramural Sports
- Business Club
- Knitting and Crafts
- Chess
- Math Club
- Cooking and Baking Club
- Model UN
- Cultures of the World
- STEM Club
- Drama
- World Cinema

On-Campus Boarding

The Fort Erie Academy residence is designed to be more than just housing – it's a true home for students, where they broaden their horizons, make lifelong connections, and learn key life skills.

The Fort Erie Academy residence includes:

- On-campus housing for parents' peace of mind and student safety
- A bed, dresser and desk for each student
- Breakfast, lunch, dinner and snacks provided
- Regular all-residence activities, including trivia, board game nights, sport activities and much more
- Monthly inter-house competitions to keep students engaged and form new connections
- Frequent communication with parents
