

# ROYAL CROWN SCHOOL

TORONTO CANADA

# A MESSAGE FROM OUR HEAD OF SCHOOL

Royal Crown School is a very special place. I love seeing our students every day and working to provide them with the best possible experience. Our teachers and staff all believe strongly that every young person has powerful potential that, in the right environment, they will thrive. We are all dedicated to creating this energizing environment and unleashing the potential in each student to set them on a path to a successful life.

Here at our school, we take extra care of our students and ensure each and every one is given individual attention and guidance to achieve academic success. We welcome students from all over the world. Our diversity enriches our community and prepares our students to engage in the world. We are a fairly new school, founded in 2005, and we pride ourselves on being agile and innovative. A few years back, we started an elite developmental basketball program, which has garnered national attention and has already sent several graduates to NCAA division 1 schools in the United States, Canadian National teams, and even to the NBA.

We are delighted that you are interested in learning more about Royal Crown School. We invite you to drop by our campus, reach out to our admissions team, and attend one of our in-person or virtual open houses. We look forward to welcoming you and sharing more about what makes our school extraordinary and maybe the right fit for your child.

Sincerely,

Michael Burke  
Head of School

"Here at Royal Crown, I found myself. In the past I didn't have that much confidence. But now I have my confidence and I believe I can be what I want, which is to be a doctor. That's why I really love this school!"

**Setayesh Khajeh**  
Class of 2022  
Western University, Medical Science

"I'm really proud to be a Royal Crown student, because in China I didn't study well but when I came here, I improved a lot and I already received several University offers!"

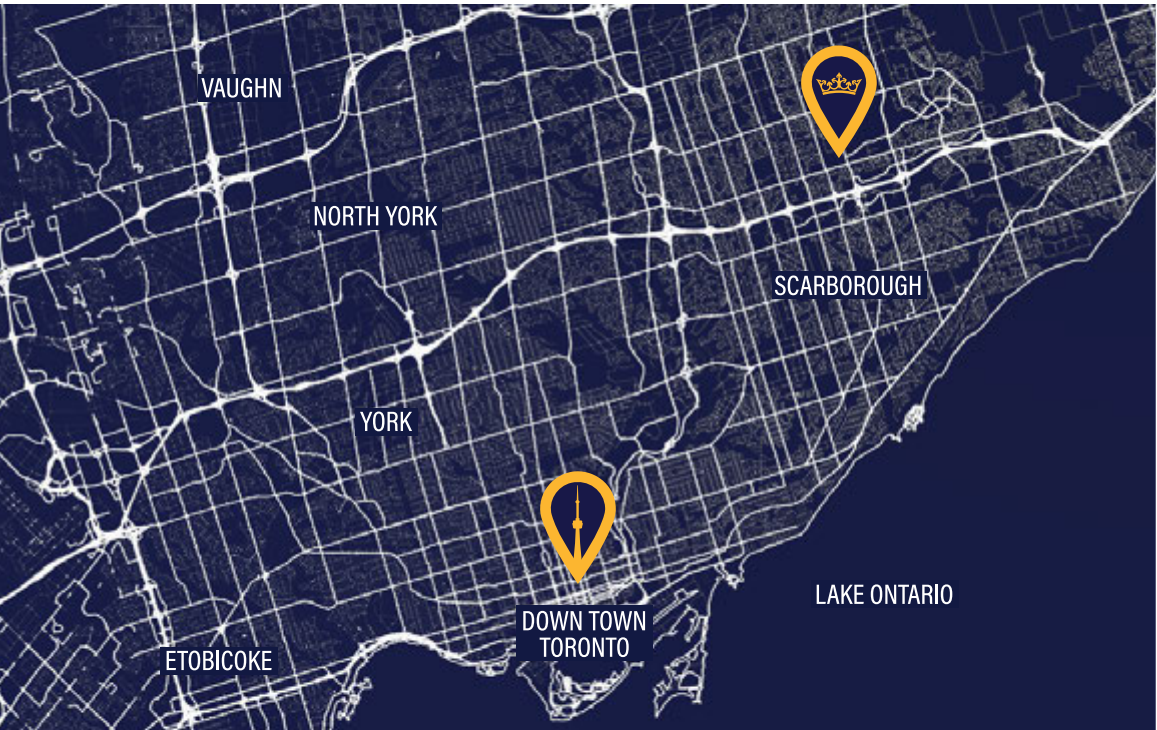

**Phoebe Yang**  
Class of 2022  
University of Toronto, Business

# OUR CAMPUS

- ◆ Toronto is a safe and vibrant global city. It's the 4th largest city in North America and has been called the most multi-cultural city in the world with 200 ethnicities represented.
- ◆ The Royal Crown Campus is located in the Scarborough neighborhood, of Toronto, 30 km from the CN Tower, and 25 km from Yonge & Bloor city centre.

## WE ARE

A tier one preparatory high school with grades 7-12, located in Toronto, Canada

## WE BELIEVE

Every young person has powerful potential, and in the right environment, they will flourish.

## OUR MISSION

To unleash the potential in each student and set them on the path for a successful life.

## OUR EVERYDAY FOCUS

Provide a best-in-class experience for each and every one of our students.

## OUR VALUES

### We Are a Caring Community

At Royal Crown, every student belongs and every individual matters. We show respect. We collaborate. We help each other. We cheer each other on. We have a positive impact on people around us. We have fun together.

### We Embrace Diversity

It enriches and strengthens us. We reach out to people who are different from us and we include everyone. We learn about the world around us, which will make us better and will open doors.

### We Have Grit

We work hard. We use our passion and perseverance to reach our goals. We don't give up even when things are tough. We take responsible risks and use failures along the way to learn and grow.

### We Aim High

We hold ourselves to the highest of standards. We have the courage to set big goals for ourselves. We strive to do remarkable things.

### We Have Integrity

Above all, we always do the right thing.

# ACADEMICS

## ARE OUR FIRST PRIORITY

We offer **individual** attention and **support** to ensure academic **success** for all our students.

### Small Class Sizes

- We have 10-15 students in each class, which allows for true engagement and individual attention.

### Individual Learning Plans

- We continuously monitor each individual's needs and interests and work with each student to co-plan their course selection and schedules.
- The individualized learning plan enables us to target the right university and career path for each student.

### Focused Semester System

- Students study 2 courses at a time, over 4 semesters, for a total of 8 courses per year.
- This allows for focused and in-depth learning.

### Free Tutoring Sessions

- In addition to attending courses, students receive after-school tutoring by our teachers.
- This ensures each student stays on track to reach their academic goals.

**"The teachers here are very nice. They encourage you to ask questions and will answer them very carefully, even if they are outside of the curriculum. It makes it interesting and inspires students to explore."**

**Daisy Tan**  
Class of 2022  
University of Toronto, Psychology

**"Compared to previous schools I attended, at Royal Crown you get a lot of special attention and help from teachers. For assignments they are constantly asking if I need more help."**

**Vijay Kalliecharan**  
Current Grade 11 Student at Royal Crown

# ENGLISH AS A SECOND LANGUAGE

**Our program allows students to learn English quickly and easily.**

- We have experienced licensed teachers
- The curriculum covers the 4 vital aspects of language;
  - ☑ Comprehension
  - ☑ Speaking
  - ☑ Reading
  - ☑ Writing
- Upon arrival, students are tested for their English proficiency and are assigned to the appropriate level.

“When I came to Royal Crown, my English was very poor, but the teachers taught me how to get better and learn in my way. I ended up getting the perfect grade in Science and I got several offers from Universities.”

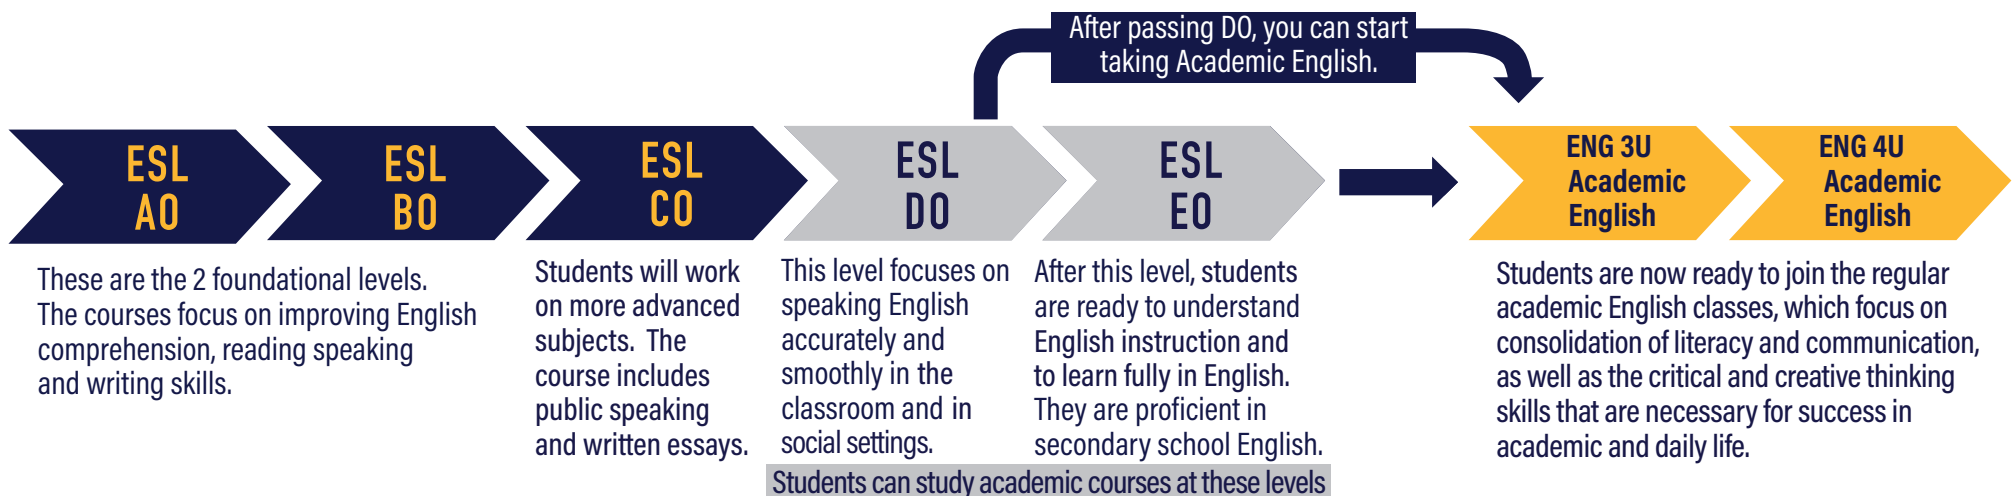

**Eric Lin**

Class of 2022

University of Toronto, Business

## The ESL Pathway

There are 5 distinct levels and students must complete the course and pass a test to move on to the next level.

# GRADE 7&8 PROGRAM

Royal Crown is excited to continue our Grade 7 and 8 program! The Middle School Program is designed to complement the well-developed High School Program that is in place for our Grade 9-12 students. Our Middle School Program follows the Ontario Curriculum, and a robust set of courses are being offered throughout the year. Students will be taking Physical Education, Mathematics, Geography, Visual Arts, History, Drama, and Science and Technology throughout the academic year. Students will receive ongoing formative and summative feedback regarding their achievement throughout the year and achievement reports will be provided to parents at mid-term and at the end of each semester.

In order to ensure that our young learners in Grade 7 and 8 receive strong support, a well-being support program is being introduced to help our Middle School students receive guidance in goal setting, time management, as well as on strategies to enhance their learning. Further support is being introduced in our Boarding program for students who decide to live in our Boarding facility.

We believe that having our Middle School students with us will benefit our young learners and our school community. Whether student enroll in our peer-mentoring program, or have siblings in the High School Program, our Middle School students will enjoy the opportunity to interact with, and be mentored by their older peers during after school activities and clubs. We understand that supporting families in every way possible results in strong educational outcomes for students, and we are proud to be extending our grade offerings in ways that will make it easier for families to enroll their children at Royal Crown and to participate in the school community.

# OUR CURRICULUM

## ONTARIO SECONDARY SCHOOL DIPLOMA (OSSD)

At RCS, students receive a balanced education through the rigorous Ontario Curriculum. The Ontario Secondary School Diploma (OSSD) is granted to secondary school graduates in the Canadian province of Ontario, and is accepted by universities worldwide. Our learners complete 18 compulsory courses as a key component of the (OSSD). Students take English, French, Mathematics, Science, History, Geography, and courses within the Arts, as well as Civics and Career studies as they prepare for their roles as responsible citizens.

Students also complete 12 optional courses that may be chosen from a robust range of subjects offered at our School.

Programs on offer:	A Selection of Course Options
ESL	ESL Levels 1-5
MATHEMATICS	Functions, Calculus and Vectors, Principles of Mathematics
SCIENCE	Physics, Chemistry, Biology, Computer Science, Healthy and Active Living, General Science
SOCIAL SCIENCES AND HUMANITIES	World History, Geography, International Business, Business Leadership, Challenge and Change in Society, Canadian History Since World War 1
GUIDANCE AND CAREER EDUCATION	Civics, Careers
INTERNATIONAL LANGUAGES	Mandarin, French
VISUAL ARTS	Visual Arts and Photography,

# OUR **TEACHING** PHILOSOPHY

The academic standards at Royal Crown are high, and with high expectations comes high support. Students learn subject area content along with their peers, and extend this learning through close collaboration with the teacher and with each other during group work and projects. Students have the opportunity to focus, in-depth, on two subjects each semester, and our philosophy of teach-learn-teach ensures that students understand assessment criteria and receive ongoing feedback on their academic performance.

Learning extends beyond the classroom as students participate in after-school activities, internships, service work, and contact with international student organizations. These experiences help to deepen and consolidate learning that is acquired in the classroom. They also let students develop leadership skills. This year, activities such as the Model United Nations, medical internships, and environmental clubs are planned.

# STUDENT SERVICES AND SUPPORT

Our guidance counselors and staff build close relationships with each student and support them every step of the way

## University Counseling

Royal Crown will work with each student to help select the right university for them. Our education professionals introduce students to universities and their specialty departments as well as counsel students on programs of studies and future career opportunities. Our university counsellors will also ensure that application packages are properly prepared and submitted timely to ensure the greatest chance of acceptance into the top university of their choice.

## Course Selection

We ensure that each student gets the most out of their high school experience by guiding them to select the right courses for them and take advantage of what the school experience has to offer with co-curriculars, internships and other new educational or leadership experiences.

## Extended Health Insurance

Royal Crown provides international students with comprehensive health insurance with maximum coverage. Clinical visits, hospitalization and prescription drugs are covered.

## Constant Monitoring

Because of our intimate classroom setting, our teachers and staff are able to constantly monitor the academic progress of each individual student. Our caring staff also monitor emotional wellbeing and mental health to ensure that each student is happy and thriving.

## Welcoming New Students

When students arrive at Toronto Pearson International Airport, a Royal Crown staff member will be there to welcome them and take them safely to our residence or their homestay. We take extra time to make sure they settle in well.

**Hunter Henry**

- + We have 100% post-secondary acceptance
- + On average, our students get 4-5 offers
- + 80% of our students decide on Canadian Universities, but we have graduates go to reputable universities all over the world.

# HOW TO APPLY

## STEP 1

Complete and submit application form to [admissions@royalcrownschool.com](mailto:admissions@royalcrownschool.com)

## STEP 2

Provide Royal Crown with transcripts and report cards from previous institutions for the last three years.

## STEP 3

The Royal Crown Admissions team will conduct an interview with the applicant. This can be done in person or via Zoom.

## STEP 4

After evaluating applicant's eligibility and fit, Royal Crown School will issue a conditional Letter of Acceptance.

## STEP 5

Applicants will accept their offer by signing and submitting their Letter of Acceptance and full payment of tuition.

# TUITION
