

## HOMESTAY PROGRAM

Local families welcome and support international students. Each student is treated as a family member, experiencing rural New England culture from a local perspective.

Monthly excursions throughout New England, ski passes to the Dartmouth Skiway, and an annual trip to famous American landmarks further expose international students to US culture and history.

## Our Mission

Thetford Academy is an independent school with a public purpose. Our mission is to celebrate the unique worth of all students, to nurture their strengths, and to challenge them to fulfill their potential.

## ATHLETICS

Though TA is the proud home of recent Division III Vermont champions in soccer, basketball, and cross country, we offer team sports for every level of athlete.
