CORNERSTONE MONTESSORI PREP

Inspiring possibilities.

Dear Parents,

We are thrilled to re-open our school doors this September. Here's what you can expect:

- all students from Toddler to Grade 8 can be safely accommodated onsite every day;
- enhanced health and safety protocols in place (details on the next page); and
- 100% remote learning if there is another forced school closure.

Regardless if you are joining us in person or online, you can continue to experience our enriched curriculum which provides more instructional hours than required by the Ministry of Education. We are also adding the following components beginning this year:

- financial literacy training beginning in SK to Grade 12;
- accelerated math and numeracy skills through the Singapore (SK - Gr 4) and Saxon (Gr 5-8) math curriculum programs; and
- STEM and critical thinking skills.

I look forward to seeing you this Fall. Please be sure to secure your spot as we have limited spaces available.

Warm regards,

Dr. Stephanie Ling
Principal
