Experience Your Dream Summer!

CAMP PILLSBURY IS A PREMIER CAMP LOCATED IN THE TOWN OF OWATONNA, 45 MINUTES FROM MINNEAPOLIS, MINNESOTA. THE PROGRAMS AND CLASSES WE OFFER PUT AN EMPHASIS ON ACTIVITIES THAT TODAY'S CAMPERS LOVE! CAMP PILLSBURY OFFERS AN AMAZING AMOUNT OF ACTIVITIES, OPPORTUNITY, AND ADVENTURE.

Camp Pillsbury offers an individualized program with traditional and "not so traditional" summer camp activities for kids ages 6 to 17. Our staff have been hand selected for their particular expertise. Our staff maintain a safe and nurturing environment while at the same time providing the best available training, coaching, directing, teaching and support to each child. Our fully elective program allows campers to select all of their favorite activities and to also try new ones within our established daily schedule. Campers have the opportunity to develop existing skills and explore new interests.

Our day is comprised of 6 one hour periods; three Majors and three Minors. Majors are taken at the same time each day with the same staff and campers. A major is an activity that each camper has chosen to learn more about and improve their skill level in, which culminates into the end of session show. Campers choose three Minors each day that they can try once, or repeat as often as they like. This allows campers plenty of opportunity to try new activities they have never experienced before.

Campers thrive, building on existing interests and developing new ones. They flourish and excel in the areas they become passionate about and their self-confidence soars. They become better singers, dancers, actors, athletes, artists, musicians and even students. We guarantee they will love camp so much they'll ask to stay all year - and they can.

Camp Pillsbury is set on the campus of Pillsbury College Prep, which is a year-round boarding school for students. Through the winter months, Pillsbury is a nationally accredited private school with outstanding academic standards. To learn more, check out pillsburyprep.com.

TESTIMONIALS

This was my daughters first time at sleep away camp and she didn't want to go. She changed her tune quickly after being there for one day. She had an awesome 2 weeks and would have stayed longer if school didn't start the day after she left camp. She will be going back next year and staying for a much longer time. This place is awesome!!!

Olivia and Jillian had the best camp experience. I couldn't have asked for better for them. Already making plans for them to return next summer! Thank you to ALL the counselors and staff making their summer fabulous!

One amazing month with so much fun ! It was a very good experience. Best summer, thanks a lot and thanks to all the counselors!

Thanks for giving my girls an amazing week of camp! Camp Pillsbury is a wonderful addition to Owatonna. Looking forward to seeing it grow and to sending my children back again.

The staff was wonderful, the programs are fantastic, and the location is excellent!

Originally only signed my daughter up for the first session, but she loved it so much she continued on with two more sessions. In her own words...It was 6 weeks of heaven. She would of stayed the whole summer if she could of, but unfortunately she had other prior commitments for the rest of the summer. But she will be back next summer!! Thank you Camp Pillsbury!
