

LIFE-CHANGING DISCOVERY

It is our joy and calling to welcome campers into an exciting, safe, and enriching atmosphere that they will want to return to year after year.

But don't just take it from us:

99%

of parents said that the program met or exceeded their expectations

99%

of parents said they appreciated the quality of skill instruction

98%

of parents said their child had a fun and positive camp experience

*according to a 2019 end-of-summer survey of 168 respondents

Find out how a summer of discovery can lead to a life changed for the better.

“ The people, the kindness, the positive atmosphere, the feeling of security, the cohesion, the landscape. ”

Here's how Pioneer Camp fosters an environment of life-changing discovery:

 **3100** acres between two locations teach kids about a God that is vast and breathtaking

 **30+** outdoor and creative activity options help kids discover their strengths and passions

 **69** years of history reflects our commitment to, and level of passion for, every child who comes to camp

 **40+** hours of staff training ensure your child has a safe experience marked by daily mentorship, excellent camper care, and quality skill instruction

 Up to **24** hours of horseback riding & instruction for campers who want more time with horses
