General Information

HIDDEN ACRES is a 22-acre camp and retreat centre operating since 1962 and located in the farmlands of Perth County. It is a non-profit organization owned by a private association of Christians and is affiliated with the Mennonite Church of Eastern Canada.

The co-ed camp program for children and youth includes swimming, canoeing, archery, crafts, music, drama, environmental awareness, rock-climbing, camp outs, sports and group games. We can accommodate approximately 80 campers per week. Children with special needs are included in our children's camp program. Our policy is to register campers on a first-come, first-served basis regardless of race, religion or national origin.

HIDDEN ACRES is interested in the development of the whole person – physical, social, emotional and spiritual. We hire and train staff who care about children and are committed to providing a fun, healthy, stimulating and safe experience for your child.

What to Expect at Camp

Each camp session features an age-appropriate theme which provides a framework for the week. Games, skits, songs, crafts, stories and other activities bring the theme to life in fun and exciting ways. Campers are encouraged to live out what they are learning while enjoying all the activities, building friendships with each other, and of course after they leave camp at the end of the week! For more information see the back panel.

WHAT DOES PEACE HAVE TO DO WITH ME?

This summer campers and staff will explore the theme of peace and peacemaking and what this can mean in their lives. How can we avoid, minimize and resolve conflict? What should we do when we're feeling troubled or angry? How is peace more than just the absence of fighting? What can we do to make this world a more just and peaceful place? Jesus perfectly demonstrated God's peace. He's the one who made it possible for us to experience peace ourselves and to reflect it to others. Let's discover together how peace can be a growing reality in our own lives and how we can help peace to grow in our world.
