Harbourfront Centre

camps '20

hello camp families

Since 1979, Harbourfront Centre Camps have fostered an inclusive learning community that encourages long-lasting connections to contemporary arts, culture and ideas.

We are committed to creating a safe, inclusive and diverse community that allows our campers to learn and interpret the world through dialogue, social interaction and hands-on activities.

For the third year in a row, we will be linking our programming to Harbourfront Centre's BRAVE festival. Our theme of INSPIRATION will be used to help shape the camper experience. Campers will engage with concepts such as: What inspires you? Who inspires you? How can you find inspiration? What does it mean to try something new and go outside your comfort zone?

For the 2020 season, we have several new camps: Senior Chess, Stop Motion Animation, Senior Arts: Advanced Drawing, Basketball, Emerging Artists: Arts in the 6ix, and many more!

We look forward to welcoming you and your family to another outstanding year of fun, diverse, dynamic and creative programming at Harbourfront Centre Camps!

Harbourfront Centre is a registered charity and not-for-profit organization. By sending your children to our camps, you are supporting all of the outstanding programs and events that Harbourfront Centre offers year-round.

Sincerely,

& the Camps Team

Rankin Middlebrook
Manager, Recreational Learning

Additionally, they will learn proper spotting techniques and assist in the development of campers' acts. CITs will also get to refine their own skills with one-on-one time with circus specialists.

CITs will complete three separate week-long placements in both circus camps, where they will shadow a working Counsellor, and begin their own interaction with campers as a leader! CITs will come together for one full day per week during their placements, to reflect on their experiences throughout the month, and engage in programming designed to prepare them to work as Counsellors in the future. CITs will receive weekly evaluations so that they receive ongoing and consistent feedback.

Successful candidates will receive an interview with Harbourfront Centre Camps, provided they properly apply for the positions available on our website. Please note that we cannot grant volunteer hours for participation in the Counsellor-in-Training program.

Please note: Prior to arriving to camp, CITs will be asked to fill in an information sheet to aid in supporting the CITs individual goals and interests. This week will focus on learning about supervision, communication, cooperative games, initiative tasks, anti-bullying, camper management and conflict resolution. CITs will continue to personalize their leadership style while promoting team-building and friendships.

CITs will complete three separate week-long placements in various Harbourfront Centre Camps, where they will shadow a working Counsellor, and begin their own program-planning and interaction with campers as a leader! CITs will work with a variety of age groups, in a variety of camps. CITs will come together for one full day per week during their placements, to reflect on their experiences throughout the month, and engage in programming designed to prepare them to work as Counsellors in the future. CITs will receive weekly evaluations so that they receive ongoing and consistent feedback.

Successful candidates will receive an interview with Harbourfront Centre Camps, provided they properly apply for the positions available on our website. Please note that we cannot grant volunteer hours for participation in the Counsellor-in-Training program.

Please note: Prior to arriving to camp, CITs will be asked to fill in an information sheet to aid in supporting the CITs individual goals and interests. There is also an overnight excursion during each CIT session. CITs are encouraged, but not required to attend. This Overnight serves as a valuable tool in team-building, and jumpstarts the beginning of meaningful friendships as CITs learn together!

\$715 Sessions 1 & 2, 3 & 4 (month-long)

inclusion & support

Harbourfront Centre Camps holds the values of accessibility, inclusion and respect at the core of our daily operations. Services will be provided in a manner that respects the dignity and independence of all participants. In order to provide the best support to a camper with special needs, we require all needs or challenges to be included in the medical information form **in full**. If your child requires one-to-one support, you must contact the Camps Registrar to discuss your options prior to registering.

Failure to disclose information necessary for a safe and positive camper experience may result in the removal of the camper from the program.

Additional support at camp is sometimes necessary for a positive camp experience. Below are the most commonly used support systems for our campers:

- One-to-one support provided by the family
- One-to-one or additional support provided by a community partner
- One-to-one or additional support provided by camp (additional fee, limited availability)

Our staff is dedicated to working with you to explore all available options for your child with special needs to attend our camps. For more information, please contact the Camps Office at 416-973-4093.

meal plan

the lunch lady

The Lunch Lady has been preparing individually catered lunches since 1993. Today, it is the largest provider in Canada, serving thousands of meals in schools, camps and daycare centres through their network of locally owned and operated Lunch Lady Kitchens. All meals are prepared fresh daily in peanut/nut-free, provincially inspected kitchens. Menus offer choices that are familiar to and enjoyed by all children while meeting and exceeding the nutritional guidelines set by the province.

In order to meet camper's dietary requirements, Harbourfront Centre offers several meal options, details of which can be found on our website.

Registration for the meal plan closes every Wednesday for the following week. Requests made after this time cannot be accommodated.

Due to the nature of the service, we cannot accommodate food allergies. We also do not recommend the meal plan for children who are picky eaters as the food is premade and difficult to make alterations to. We recommend that you send additional food for morning and afternoon snack breaks. Refunds will only be processed for those who cancel the meal plan in writing via email at least **10 business days** prior to the start date of their child's camp, after which refunds will not be processed.
