LEADERSHIP CAMPS

Ages 14-17

Boys & Girls

Camp has a 70-year track record as an industry-leader focused on developing competent, godly young leaders. Find out more below about our programs intentionally designed around leadership development.

Enterprise

Ages 14-16

Our introductory leadership program designed for teens looking to serve, grow, and have fun within a small community of like-minded campers. Each day includes opportunities to develop leadership abilities, learn biblical truth, and experience camp activities. Campers also gain community service hours while serving during meals, setting up the dining hall, and doing dishes.

Leader in Training

Ages 16-17

Our premier leadership camp focused on developing teens in the areas of leadership abilities and their Christian faith. This six-week program includes biblical training, a four-day canoe trip, skills training and the opportunity to serve as a co-leader in a camp cabin. Campers are placed in small groups where their leaders coach and mentor them throughout the program. Our aim is to equip youth so they can be godly leaders at Camp, but also in school, church, and their communities back home.

FOR PARENTS

Accommodations

Discovery campers sleep in modern cabins with indoor washrooms and showers. At our Boys, Girls, and Youth camps, traditional tabins give older campers a unique outdoor experience. Washrooms and shower facilities are available nearby for each section.

Food and Special Diets

Our balanced menu, designed to reflect Canada's Food Guide, includes fresh and delicious breakfasts, lunches and dinners. Campers also have the opportunity to buy snacks at the Tuck Shop throughout the week. Camp is a peanut aware environment and we do not knowingly use or serve peanut products. We are happy to accommodate gluten-free and vegetarian diets as well—just let us know when you register!

Safety at Camp

"Promote Safety" is the first of our organizational priorities. Our staff strive for no injuries, no accidents and no close calls in all areas of Camp. We also promote disease control and mitigate environmental risk such as sun and insect exposure.

Medical Care

We aim to have three medical volunteers (nurses, doctors, and/or paramedics) on duty each week of the summer. They dispense prescription and over-the-counter medications, handle minor injuries and administer first aid. In the event of an emergency, the nearest hospital is only 15 minutes away.

Transportation

We offer transportation to and from camp every week of the summer. Pick-Up and Drop-Off locations are located in Barrie and Vaughn. For detailed information regarding fees and times, visit our website!
