

Kidz Konnect Summer Camp 2019

Kidz Konnect Summer Camp is more than your typical camp. Our trained staff provide a positive camp experience based on social skills programming offered in a fun and interactive environment. Activities such as swimming, recreational games, hiking, fishing, guest speaker visits, and arts/dance/drama.

Throughout the camp we also assist in the development of social skills, life skills and problem solving strategies:

- We provide an activity based program for participants to practice strategies.
- We encourage friendship making and positive interpersonal relationships.
- We work to promote positive social behaviours.
- We foster self-awareness and a positive outlook.
