

Who We Are

Le Petit Écolier thrives for the success of every student no matter what their linguistic background! Our classes are designed to grab attention through various interactive exercises that are both paper-based and electronic. This allows the student to view learning French as a fun exercise and not a burden.

At Le Petit Écolier, we believe it's never too early nor too late to learn French. That's why our mission is to help each and every student Love, Learn and speak French.

Our Classes

Here at Le Petit Écolier, we offer a variety of French Sessions to teach students of all levels & ages! If your goal is to learn French in an effective way that will help you succeed in your French language journey. Le Petit Écolier has something for you!

MINIMAL BARRIERS

The overall goal of our Centre is to offer students supplemental support to maximize their French learning. We understand that in the traditional school curriculum, French class can be intimidating to young learners, so we made it our goal to make learning French as enjoyable and stress-free as possible!

BENEFITS

Students at LPE feel more confident in French classes at school, start speaking more comfortably, and really start to develop a love for learning the French language.
