Program Options

OVERNIGHT CAMP

Have your child enjoy the unique overnight camp experience for up to 6 weeks of their summer! During this time, they will join a host of adventures from canoeing through niagara rivers to ziplining above the treetops.

Evenings will be spent around the campfire, singing karaoke, and telling stories until they are ready to retire to their state of the art air conditioned, and fully serviced camp houses.

DAY CAMP

Is your child a first time camper? Are they involved with extra curriculars in the evening? They are more than welcome to try out NAC for the day! We offer day camps to our campers that aren't able to make the overnight commitment, but still want to enjoy the adventure and fun at camp!

ACADEMIC CAMP

Maybe you want the best of both worlds for your child. Although summer is a time to relax and have fun, sometimes it is also a time to catch up and get ready for the next school year. Our academic program allows campers to receive numeracy and literacy tutoring until lunch, and spend their afternoon enjoying the adventure camp program.
