## Adults, Families & Others

Located on 280 acres of woodland on the shores of Lac Castor Blanc, Gracefield offers a wide variety of options for Adult and Family stays.

Tent and Trailer Camping,  
Lodges, Cottages and Cabins.

Enjoy a time of quiet reflection or join in with opportunities for community.

## Groups & Retreats

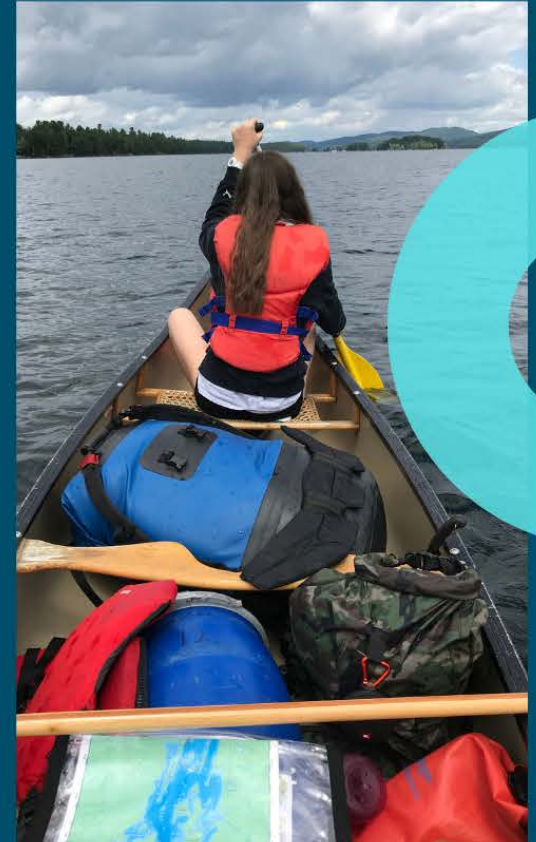

Group gatherings and retreats for churches, youth groups, schools, yoga groups, book clubs and many others. All can enjoy a time away at Gracefield Camp!

We have a year-round place for you to reflect, plan, grow and discover your potential. We are happy to help facilitate your group's retreat.

Christian Camp and Retreat Centre

## Leaders in Training

The LIT program is an intensive 200-hour course spread over four weeks **July 7 - August 2**, including a multi-day canoe trip.

The course is accredited by the Association des Camps du Quebec (ACQ). It covers a wide spectrum of leadership skills and includes volunteering in various roles at camp. Gracefield Camp augments the ACQ LIT program with Christian camping, worship leadership and Bible study skills.

Following registration the LIT program will also involve an application process with interview and references.

Tier pricing 1) \$1050 2) \$1150 3) \$1300

LIT is for ages 15-18.

For more information contact [leadersintraining@gracefieldcamp.ca](mailto:leadersintraining@gracefieldcamp.ca).

## Adventure & Woodlander

For campers who love the outdoors! These camps are based out of our platform-tent-equipped Bruno's wilderness site on camp property.

They include a canoe trip that gives campers a chance to use camp-craft skills with their tight-knit group.

Campers will have a variety of meal time routines, including preparing some meals over a campfire, joining the other camps to eat some meals in the dining hall, and picking up some meals to enjoy back at their campsite.

## Trailblazer, Frontier, MADD & STEM

Canoeing, swimming, archery, chapel, campfires, cookouts and gaga ball are all part of a week of play and learning.

Campers stay in woodland cabins with cabin leaders and fellow campers, and may try out their skills at an overnight campout or outing to a wilderness site on camp property.

Your camper will have the opportunity to try outdoor challenges, creative activities and more!

MADD has been a favourite of many campers over the years, with regular camp activities plus an extra focus on Music, Art, Drama and Dance.

**NEW in 2024... STEM is for those interested in a camp with regular camp fun, plus extra focus on Science, Technology, Engineering and Math activities --- but still screen-free!**
