

LIFE-CHANGING DISCOVERY

It is our joy and calling to welcome campers into an exciting, safe, and enriching atmosphere that they will want to return to year after year.

But don't just take it from us:

99%

of parents said that the program met or exceeded their expectations

99%

of parents said they appreciated the quality of skill instruction

97%

of parents said their child had a fun and positive camp experience

* according to a 2019 end-of-summer survey of 432 parents

Find out how a summer of discovery can lead to a life changed for the better.

DISCOVERY IS AT THE HEART OF WHO WE ARE

From the moment campers arrive at Circle Square Ranch, they embark on a journey of discovery. They'll try different activities, learn new skills, overcome challenges, and make new friends -- all within God's beautiful creation.

“ I loved watching my daughter grow over the week at camp... She would spend the whole car ride home gushing about all of the activities she participated in. ”

Here's how Circle Square Ranch fosters an environment of life-changing discovery:

 **135** acres teach kids about a God who is vast and breathtaking

 **30** outdoor and creative activity options help kids discover their strengths and passions

 **35** years of history reflects our commitment to, and level of passion for, every child who comes to camp

 **30+** hours of staff training ensure your child has a safe experience marked by daily mentorship, excellent camper care, and quality skill instruction

 Up to **15** hours of horseback riding & instruction for campers who want more time with horses
