WELCOME TO BEE SMART SUMMER CAMP!

We are very excited to welcome you to the summer adventures of 2018!

Summer is the perfect time for students to prepare themselves and thus ensure success in the following academic year. Summer is also the perfect time to meet new friends and have fun!

The Bee Smart Summer Camp ensures that its students receive an intricate *balance between learning and fun* with indoor **academic activities** as well as interactive outdoor **sports and games**.

Our summer camp promotes children working in teams with a variety of theme days, such as Cooking Day, Giant Bubble Contest, Pirate Day, Treasure Hunt, and much more.

Your child's summer will be the best one yet!

Academic programs offer enrichment throughout the summer in Mathematics, Science, French and English/ESL. For detailed program descriptions, please refer to pages 4 – 6.

Our international ESL students come to Bee Smart Summer Camp to learn English. They make new friends and accomplish so much.

One student from China wrote a letter to his new friend in Italy! Bee Smart allows acquaintances to blossom into friendships all around the world.

Fun daily activities include playing in the playground, running in the field, and swimming. We also go on **an exciting field trip** every two weeks.

PROGRAM DESCRIPTIONS

Math & Science

Combining fun with challenge and growth, Bee Smart Learning Centre offers one-of-a-kind mathematics and science programs since 1996.

- ▶ Tutoring & Enrichment of the mathematics curriculum for all learners.
- ▶ Development of mathematical thinking and problem-solving, logic and reasoning skills.
- ▶ Preparation for mathematical competitions in small groups
- ▶ Students learn interesting and interactive scientific experiments.
- ▶ Students participate in exciting field trips and laboratory work.

English Language

- ▶ Learn English by studying with qualified, native speaking English instructors.
- ▶ The course includes: Reading Comprehension, Creative Writing, Grammar and Spelling.
- ▶ Helping students of all ages and levels succeed in their level of study.

ESL Program - International students are welcome!

The ESL program is designed for students of all ages and levels.

Since 2010, Bee Smart has been running successful ESL programs with international students from Asia and Europe joining Canadian students in small groups to learn speaking, reading and writing skills.

The ESL students did not only succeed in learning English inside the classroom, but they were also given the opportunity to apply their English skills outside of the classroom during our many educational field trips!

Students visited the **Distillery Historic District** in downtown Toronto – an internationally acclaimed village of brick-lined streets and dozens of vibrantly restored Victorian Industrial building. Students were able to apply their reading and writing skills during our tour of **Toronto's First Post Office**.

The students visited the reading room, complete with its original fireplace, where students composed and mailed letters using traditional quills and seal their envelope with old-fashioned sealing wax and stamp.

Visual Art

“All children are artists. The problem is how to remain an artist once one grows up.” - Pablo Picasso

The Bee Smart Learning Centre offers an exciting Visual Arts program in which students learn Visual and Spatial Memory using a variety of media including sketching, painting, and sculpting.

Get Ready for School

The Bee Smart Learning Centre offers an exciting program in which young students are prepared for school.

Reading - Students learn how to read in a fun and interactive environment!

Mathematics - Students learn basic mathematics and logic skills!

Hands-on-Science - Students learn basic science through safe and exciting experiments!
