The Royal Conservatory School **Summer String Institute** focuses on providing a condensed week of instruction for violin, viola, cello, and double bass for students ages 4 to 17. The Institute offers four different camp options designed for students at various levels of playing ability. This is a wonderful opportunity for students to study with our faculty of acclaimed musicians.

**9am–12pm | \$335**

This one-week camp is designed to reinforce techniques and repertoire from Twinkle through the end of Book 2. Classes will be arranged by level of completed repertoire.

**\$545**

This intensive one-week camp offers individual instruction, group instruction, reading class, enrichment activities, and orchestra in a fun and engaging environment.

## Chamber and Orchestra Camp

**Ages 8+**

Designed for string students who are seeking a more intensive summer camp experience, this camp includes individual instruction, group class, chamber music, enrichment activity and orchestra. # What The Ladybird Heard

**August 12–16 | \$375**

Perform for your family and friends in a final showcase.

# The Gruffalo

**Ages 6–8**

**August 19–23 | \$375 per session**

Explore the tale of Julia Donaldson's endearing monster, *The Gruffalo*, as he is joined by his tiny mouse companion in a forest adventure.
