

Stirling Montessori Academy

The Future Begins Here

Education is a natural process carried out by the human individual, and is acquired not by listening to words, but by experiences in the environment.

~ Maria Montessori

What We Offer Casa

The Casa program for children ages 3–6 fosters independence, confidence, and a love of learning through personalized, hands-on Montessori lessons in a thoughtfully prepared environment. Multi-age classrooms encourage collaboration, leadership, and strong social development, while enriching academics in language, math, and culture are complemented by French, music, and movement.

Elementary

The Elementary program builds on the Montessori foundation, guiding students to think critically, explore deeply, and understand the “how” and “why” of the world through hands-on, interdisciplinary learning. With a strong focus on academics, creativity, and leadership, students develop independence, confidence, and global awareness in a supportive environment enriched with French, music, athletics, and STEM.

CCMA Accredited

About

Stirling Montessori Academy offers students a creative and supportive environment to cultivate and embrace their unique strengths while fostering a genuine passion for learning.

Grounded in the principles of Montessori education, our curriculum is crafted to align with the developmental needs of each student. The dedicated members of our seasoned staff infuse each interaction with integrity, warmth, and an unwavering commitment to every student and family within our close-knit community.

Why Us?

- ✔ Montessori emphasizes learning through all five senses. Children in Montessori classes learn at their own pace and according to their own choice of activities.
- ✔ Our teachers are formally trained in Montessori education, understanding not just what to teach, but when and how to guide each child's natural development with intention and care.
- ✔ Our classrooms are thoughtfully designed to encourage curiosity, concentration, and self-direction—supporting children in becoming capable and self-motivated learners.
- ✔ We nurture more than academics—supporting emotional awareness, social skills, and independence so children grow into confident, capable individuals.

FAQ

1. Do students wear uniforms? Yes, both casa and elementary students wear uniforms.
2. What are the program hours? Is there extended care? The regular school day is 8:45am to 3:45pm with a before and after care program available from 7:30am to 5:30pm
3. Do you run all year long? We run on our school on a ten-month calendar operating from September until June. We also offer both Summer and March Break Programs.
4. Do you provide lunch or snacks? All casa students are enrolled in a mandatory program. Elementary students bring their own lunch and snacks.
5. Is there a waiting list? Reach out to us to find out more about our registration process.

We have been a Stirling family for years and highly recommend the school. We are consistently impressed with the quality of education and support that our girls receive each day in both, the CASA and Elementary programs. The directors and staff are wonderful and truly care about the children. The teachers are so passionate about learning and their positive energy is refreshing and makes the classroom experience fun. I always feel comfortable and confident knowing what's happening in the classroom and how my daughters are progressing academically. The school and classrooms are also very clean, inviting and well organized.
