SEEING THE FUTURE THROUGH DEWEY INSTITUTE

Incorporating John Dewey’s educational philosophy of pragmatism, and giving students varied resources and opportunities; Dewey Institute, international perspective enriches students, by placing emphasis on the interactive relationship between individual development and social advancement. Dewey Institute hosts a multi-cultural learning environment teachers and staff from various countries. This in turn allows the students to interact with different cultures and teaching methods that is beneficial for the student's learning and exposure. Teachers at Dewey are trained to provide multiple approaches of subject teaching and research methods. This in turn facilitates the communication that occurs between teaching and learning. Dewey students develop their independent problem-solving-skills as well as learn how to enjoy teamwork striking a perfect balance between independent work and collaboration. At Dewey Institute, we aspire to help students make well-informed decisions in and for the future.

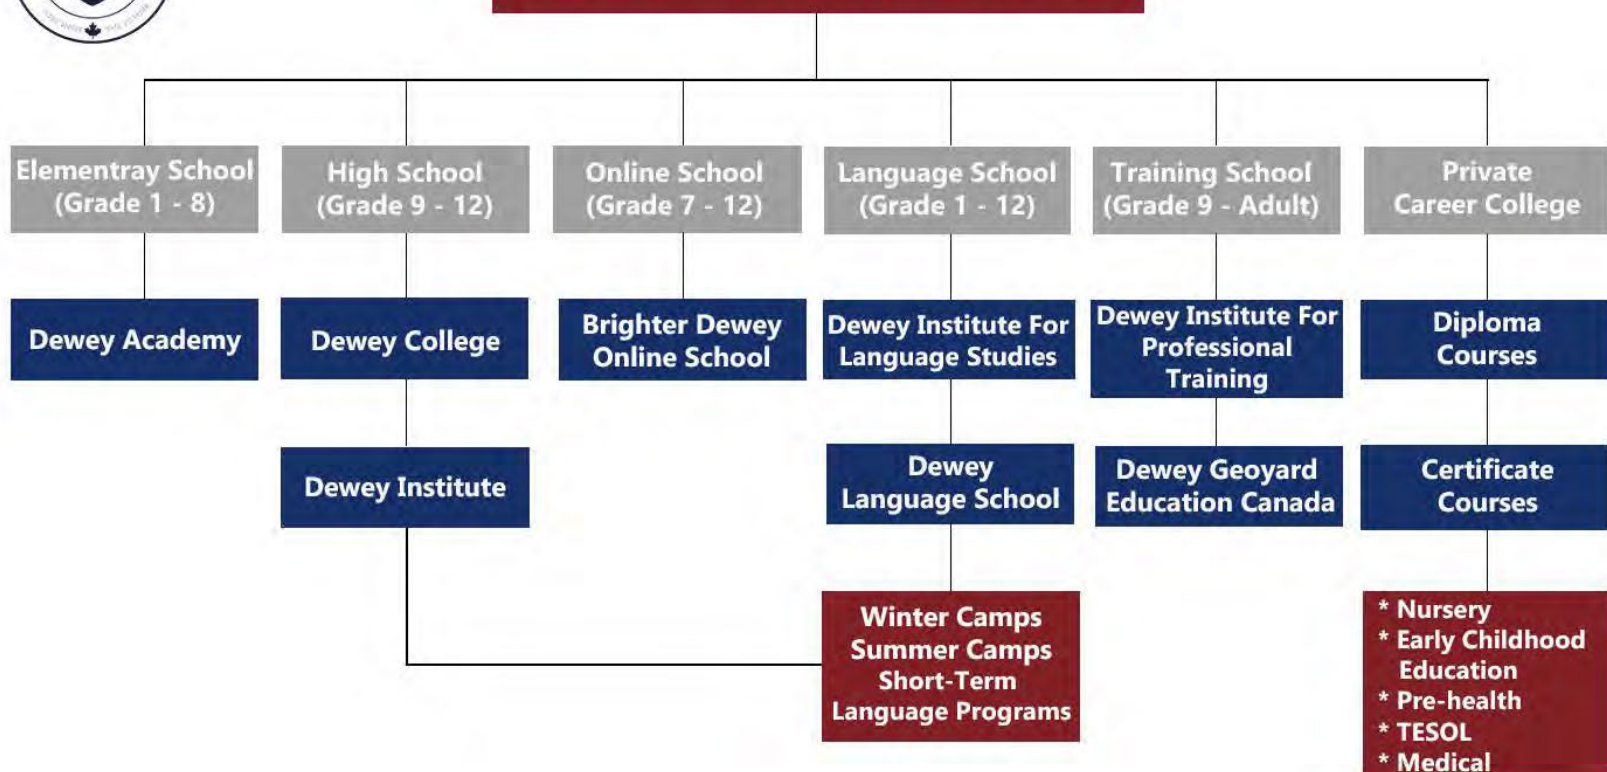

Chairman of Dewey Educational Group

Craig Shelswell

Craig Shelswell’s educational footprints in Canadian public education span over half a century. Over the years he has assumed various roles; Principal, School Board Director and Ontario Ministry of Education Inspector. He is aware that the core of international education is to; transform the educational setting into a real life platform where diverse cultures merge and global perspectives emerge. Rooted in North America and looking beyond to the future, the Group aims to shape global citizens and prepare them for the coming changes.

DEWEY EDUCATIONAL GROUP

Pathway to Leading Universities

Dewey Institute, registered with Ontario Ministry of Education, is a premium private high school and the only secondary school in Ontario that is established with university standards. Students graduate with an Ontario Secondary School Diploma(OSSD) after fulfilling all required credits, and community hour requirements.

Dewey also has partnerships with schools in over 10 countries, with a signature “Elite an Ivy Program” pathway program for ambitious students who aspire to attend leading universities worldwide.

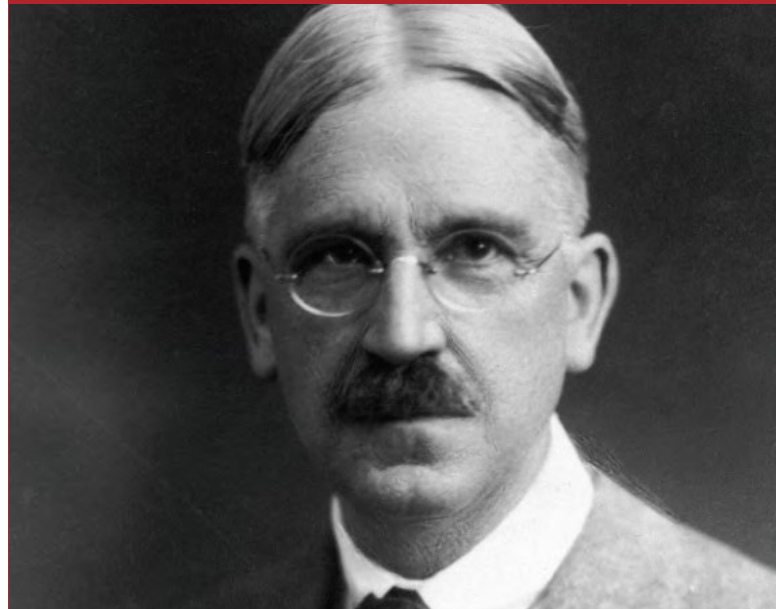

At Dewey Institute, the growth of each and every student is our main concern. Our senior educational experts follow the planned curriculum, keeping in mind additional 'Language' supplementary material to assist all learning styles, and language abilities. By partnering with renowned institutions, Dewey endeavors to create more opportunities for its students to succeed in fulfilling their lifelong ambition and reaching the university of their dream.

America’s greatest educator in the 20th century

John Dewey

He was an American philosopher, psychologist and educational reformer whose ideas have been influential in education inspiring us about the importance of preparing students for the discovery journey of learning by doing.

Student Centred and Quality Services are the hallmarks of Dewey Institute's educational philosophy. The Institute strives to enable all our students to reach high levels of achievement and to acquire the knowledge, skills, and values they need to contribute to the well-being of a global society. This is the origin of Dewey Educational Group members. From North America to serve the world.

Ontario's Education System

The education system in Ontario includes; Kindergarten (age 4-5), Elementary level (Grade 1 - 8), Secondary level (Grade 9 - 12) and Higher education that include University, College and Private Tertiary educational institutions. Students are able to select different courses according to their own interest, aptitudes and needs. In Ontario a student must pass a Literacy Test (OSSLT) in order to receive a Diploma and Graduate.

As of 2018, Ontario has 22 public universities, 24 colleges, 17 private institutions eligible for degree granting, and over 400 tertiary educational institutions.

Secondary School Graduation Requirements

- 30 Credits from Grade 9 to 12
- Pass the OSSLT test
- 40 Community Service Hours

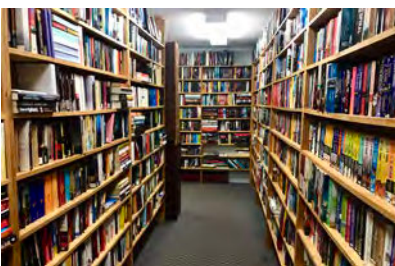

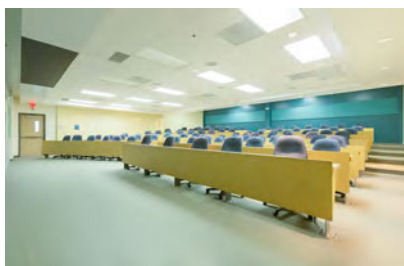

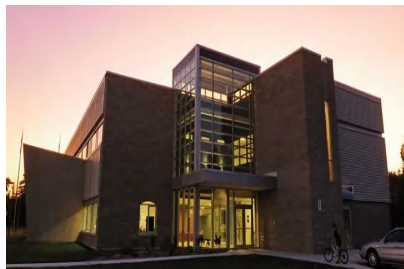

Basic Admission Requirements for Colleges and Universities

- 6 Credits from Grade 12 -English must be one of them. (Mandatory)
- International students must provide English Proficiency -IELTS, TOEFL or equivalent.
- Graduate upon completion of OSSLT and total requirements.

Top-notch Boarding School

Situated in the beautiful scenic Area of Muskoka Lake, Dewey Institute is known for its high quality teaching standards, upscale teaching facilities and campus environment, as well as, comprehensive student care services. The building hosts a lovely dormitory, a fully equipped restaurant, as well as an indoor gymnasium to name a few.

Pristine Natural Beauty

The school is located in Muskoka, which was by National Geographic, as #1 for best trips of 2011. by The region is well-known for its widespread pristine lakes and forests and its distinctive scenery throughout the year. The captivating natural landscape has attracted numerous Hollywood stars, sports stars and other elites to build retreats. The well-built leisure, entertainment and other amenities in the area offer Dewey students a premium access to interact with and integrate into society.

Meticulous and Organized

Dewey offers first-class accommodation to its full-time students, with a choice between on-campus dorms or homestay. Dorms include single room and deluxe single room, both with complete amenities to facilitate students' daily lives. The school also has designated persons in charge of dorm safety and hygiene, including scheduled weekly cleanups.

Amenities and Accommodations

- Free Areas

Dewey offers its students various commons areas, such as, shared kitchen, lounge, gym, etc., to create a dynamic venue where its students can freely meet and socialize.

- Menu Options

Onsite Chef helps in Students' receiving nutritious meals.

- 24/7 Dorm Supervision

Concierge is available 24/7 to secure a safe and comfortable living environment, as well as handle emergencies.

Dynamic Campus Life

As a high school with university-level facilities and resources, Dewey offers a comprehensive learning and living environment. The indoor and outdoor facilities offer a wide spectrum of extra-curricular activities to enhance the students' well-being and to give them opportunities beyond the classroom. Dewey students learn to take on new challenges, that they may have seen as impossible., and grow out of them.

Blending into the local atmosphere

Given the natural surroundings and by the environmental advantages of Muskoka land, Dewey Institute provides access to a variety of activities, such as Golf, Canoeing, Ski, cycling and Hockey. Through these activities Dewey students not only experience the great outdoors, but also enhancing their ability to learn from others and work as a team.

Volunteering Program

Volunteering plays an essential role not only in Canadian schools, but also in the broader Canadian society. For international students, it is not only to meet the high school graduation requirements, but also to improve their social skills, communication skills, and help them integrate into society. Dewey Institute has longstanding collaborations with a host of organizations, that provide Dewey students a venue to volunteer, contribute, learn and grow.

Academic Activities to Explore the World of Knowledge

On a regular basis, Dewey invites universities in Canada to offer seminars and practicum opportunities to the students. In addition, artists and sportsmen from the Muskoka area visit to further enhance cultural immersion.

Activity and Discovery

- Canoeing
- Golf
- Ice Hockey
- NBA Night
- Ontario Attractions
- Overseas trips (Europe, Cuba, Caribbean etc)

AP PROGRAMS

Prospective Students

1. High School students and graduates
2. Having passed Dewey's entrance examination and interview

AP (Advanced Placement) is a pre-university course. It is a high school advanced university course sponsored and authorized by the American University Council in high schools in the United States and Canada. Students may choose to take AP courses according to their own interests, hobbies, and of university majors. After completing the course, students can take the AP exam. If the test scores meet certain requirements, they can earn college credit. Dewey Institute is recognized by the American College Board for its outstanding educational ability and is authorized to be one of the training partner universities and official AP test centers for AP courses in Ontario.

AP Training Courses

The AP course at Dewey is an elaborately designed program to suit AP students different needs. Experienced and professional, Dewey's AP instructors are not only familiar with the testing mechanics, but also constantly updating their knowledge about the latest learning material.

AP Certification Test

AP Certification Test result is evaluated on a score system ranging from 1 to 5, and most secondary education providers in North America accept students with a performance of 4 and above. AP score has been taken as one of the most important criteria for academical evaluations. At Dewey, a proud 80% passing rate of student with a score of 4 and above has proven our team to be some of the most competent AP instructors in the world.

PROGRAMS

ESL PROGRAMS

Prospective Students

Students with a need of learning English as a second language

This program is intended to provide a world-class language immersion experience for non-native English learners. By integrating theoretical language teaching with classroom interaction and real-life application, it aims to pro-actively engage the students both in classrooms and in real life to a solid foundation in all four skills of the English language. Whatever level of learning you are at and whatever purpose of learning you have, Dewey has the right program for you to help you realize your dream.

Diversified Extra-curricular Activities

Dewey's language instruction encourages students to apply what they have learned into real life situations. To reach this goal, Dewey also pro-actively creates practicum opportunities such as guided tours to attractions and collaboration with local companies and schools to enable the practice of English in everyday life.

Culture Exploration Program

Unique and motivating, Dewey's Culture Exploration Program is an educational approach that attempts to embed learning into experiencing. The learning process at Dewey is adventurous and entertaining, it is our goal to deliver knowledge through a series of exploration of history, art, language and nature, and is our desire that students will achieve their goals with the most innovative manner.

DEWEY ONLINE SCHOOL

Registered with Ontario Ministry of Education, Dewey Online School has officially started in January 2018 in China. All courses offered are recognized by Ontario Ministry of Education, including Ontario Grade 9 – 12 ESL courses and credit courses. The first batch of students accessed the courses via China-Canada Class in 5 regions of China. All such students are registered in China, and meanwhile, registered with Ontario Ministry of Education as well. The courses they take and complete are equivalent to those of their Canadian counterparts.

Highlights of Dewey Online Courses

- 100% Canadian teaching standard, credit system and original textbooks
- All courses instructed in English by Dewey's certified teachers
- All homework and tests administered online and graded by Dewey teachers in Canada
- Trained teaching assistants in China to assist the students and facilitate face-to-face communication between the students and their teachers in Canada

Advantages of Dewey Online Courses

- Students in China can obtain Ontario student registration status
- Students in China can obtain Ontario Secondary School Diploma
- The credits earned qualify students for North American colleges and universities like their Canadian counterparts
- Students can come to Canada and continue their university programs based on their interests and aptitudes
