

DAWNCREST

Academy

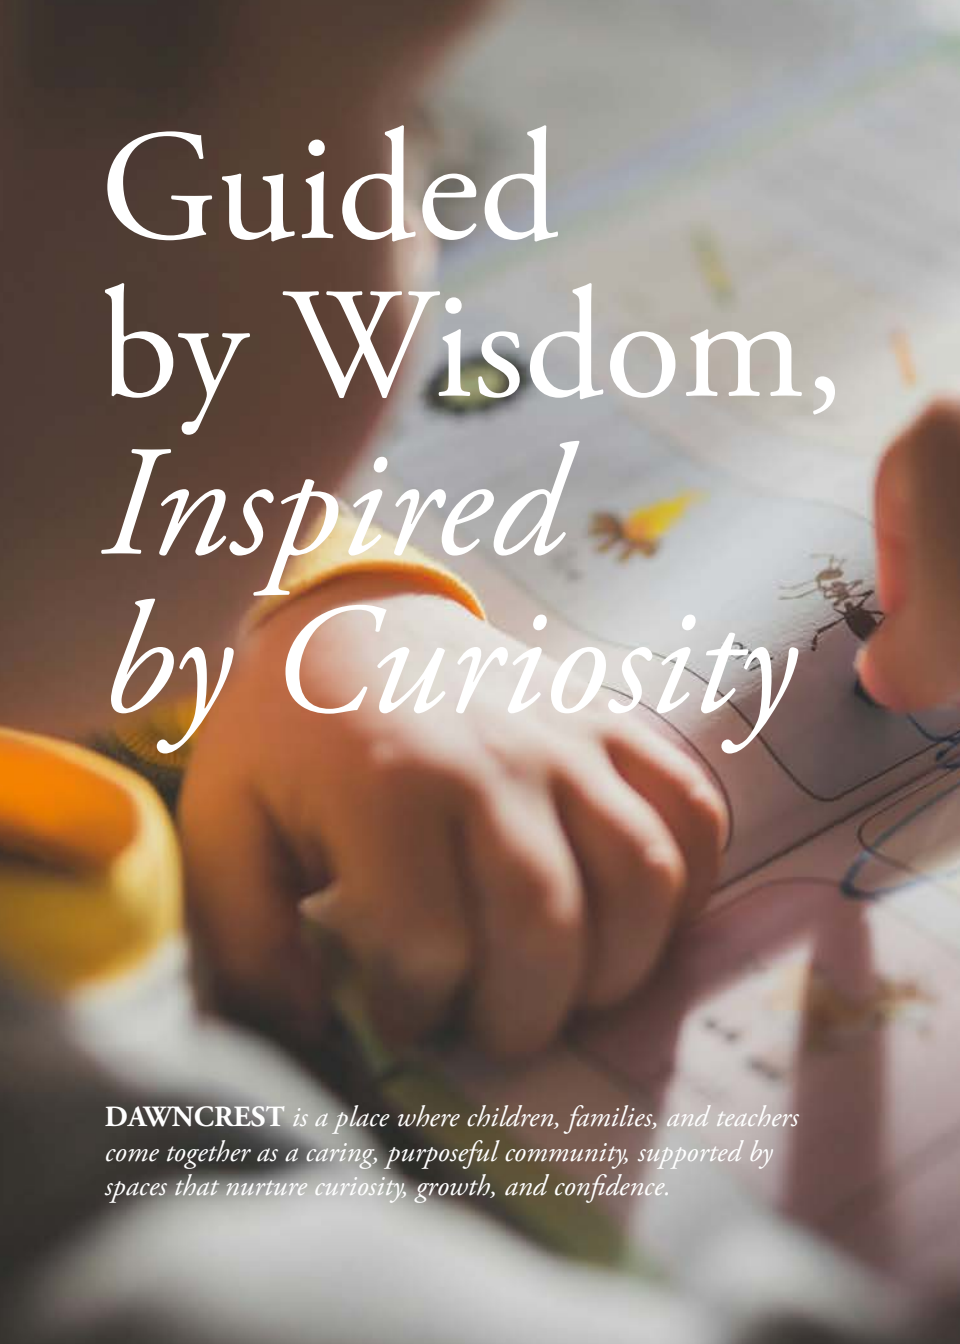

Welcome to DAWNCREST *Academy*

*Where every child is seen, supported,
and encouraged to shine.*

Today, many children are asked to fit into systems that were never designed for who they truly are. Overcrowded classrooms, limited individual attention, and pressure-driven environments can cause children to feel unseen, anxious, or disengaged from learning. Parents aren't just looking for strong academics anymore. They are searching for safety, personalization, emotional intelligence, and a school that truly understands their child.

**Education should never feel like survival.
It should feel like belonging.**

Guided
by Wisdom,
Inspired
by Curiosity

DAWNCREST is a place where children, families, and teachers come together as a caring, purposeful community, supported by spaces that nurture curiosity, growth, and confidence.

The DAWNCREST *Philosophy*

We blend academic excellence with creativity, confidence, and character in a nurturing, inspiring community. With small class sizes and light-filled, open spaces, learning is deeply personal—guided by passionate educators who meet each child where they are. Beyond the classroom, hands-on projects, outdoor exploration, and real-world experiences spark curiosity, build confidence, and cultivate a lifelong love of learning.

We don't educate children to fit into the world.
We empower them to shape it.

D

A day at Dawncrest is intentionally designed to support both learning and emotional well-being. Students arrive to a calm, welcoming space where connection comes first. Learning unfolds through guided instruction, creative exploration, collaborative projects, outdoor discovery, and moments of reflection.

Every day includes:

- ◆ Personalized learning
- ◆ Creative expression
- ◆ Outdoor exploration
- ◆ Community connection
- ◆ Calm transitions and emotional support

Here, children don't just attend school—they experience it.

Our Educational *Approach*

Dawncrest delivers strong academic foundations while honouring each child's unique learning style.

We focus on:

- ◆ Literacy and numeracy excellence
- ◆ Critical thinking and problem-solving
- ◆ Independent thought and curiosity
- ◆ Project-based and experiential learning
- ◆ Confidence in communication
- ◆ Dynamic and comprehensive French
- ◆ A strong instrumental music program

Our approach develops students who don't just memorize information—they understand, apply, and lead with it. Small class sizes ensure that no child is ever overlooked.

A young child with light brown hair, wearing a blue sweater and blue jeans, is sitting on the floor with their back to the camera. They are looking into a large aquarium tank. The tank is filled with several large, flat fish with yellow and blue markings. The background is a deep blue, suggesting an underwater environment. The text is overlaid on the upper half of the image.

Nurturing Growth, *Inspiring Excellence*

At Dawncrest, emotional intelligence is foundational as students are guided to build confidence, empathy, communication, resilience, and leadership—because when children feel emotionally safe, they learn deeper, grow stronger, and thrive fully.

THE
DAWNCREST
PROMISE

Our learning spaces are thoughtfully designed to inspire calm, focus, and curiosity. Sunlit classrooms, open environments, a spacious gym, and seamless access to nature create a setting where children feel grounded and motivated to explore. At Dawncrest, we know that the environment shapes experience — a serene, regulated space nurtures both the mind and the joy of learning.

*Parents
trust us
with what
matters
most, and
we honour
that trust.*

Our educators are passionate professionals who care deeply about both academic excellence and emotional development. They are mentors, guides, and trusted leaders who genuinely know each child.

At Dawncrest, teachers don't manage classrooms. They build relationships, unlock potential, and guide growth.

Why Families Choose DAWNCREST

Families who join Dawncrest become part of a close, supportive community rooted in respect, connection, and shared values. Parents, educators, and students work together to create a true culture of belonging; we celebrate diversity, family involvement, culture, curiosity, achievement, and compassion, knowing that when children feel supported, they thrive—academically, socially, and emotionally.

Dawncrest students graduate with more than knowledge; they develop strong foundational skills, emotional confidence, leadership qualities, creative problem-solving abilities, and a deep love of learning, emerging prepared not only for the next grade, but for life itself, where success is measured in both achievement and character.

Come Experience DAWNCREST

The Dawncrest admissions journey is personal, supportive, and seamless, beginning with a private campus tour to experience our learning spaces, meet our educators, and feel the Dawncrest atmosphere, followed by a family connection meeting to understand each child's strengths and ensure the right fit.

Families then book two back-to-back discovery days for their child to join the classroom and experience the rhythm and structure of two days at Dawncrest. Once complete, families are asked to complete a thoughtful application and review process before moving into a guided enrolment and welcome experience. This includes orientation, and first-day readiness.

To preserve our personalized learning environment, enrolment is intentionally limited and spaces fill quickly—because at Dawncrest, admissions is not a transaction, it's the beginning of a trusted partnership.

Begin Your DAWNCREST *Journey Today*
