A MESSAGE FROM **OUR ADMINISTRATION**

“

We are pleased to offer an excellent academic program taught by teachers who are leaders (most hold a graduate degree or specialization) in their fields of expertise. We work together to practice integrity, forgiveness and reconciliation, and loving our neighbours as ourselves. It is exciting to see how this shapes and blesses student relationships, student-teacher relationships, and staff relationships. We look forward to partnering with your family.

”

Kerri Kennedy

Principal

“

At GLCHS, we believe that educating the whole child must include spiritual development; therefore, we are committed to ensuring that spiritual formation is not just an add-on to our program. All instruction is delivered from a Biblical worldview in an intentional and overt Christian environment.

”

Don Rose

Chief Administrator

ACADEMICALLY MINDED

- High acceptance rates to universities and colleges
- All of our teachers are specialists or hold a graduate degree in their field
- Small class sizes
- Grades 9-12

Great Lakes has been fostering an environment of academic excellence for over sixty-five years. With Christ at the centre of our community, the faculty is dedicated to ensuring the success of every student in education and in spiritual development. The small class size is ideal for focused learning and creating opportunities for our teachers to connect on an individual basis with each and every student.

SPIRITUALLY FOCUSED

- Bible classes three times a week
- Christ-focused in daily life
- Student faith groups
- Chapel twice a week

Every aspect of the Great Lakes experience is informed by our faith. Bible is taught across the curriculum and extra-curricular activities are seen as opportunities to model Christ. Regardless of where students are along their faith journeys, we come alongside to equip them to seek, serve, and become like Christ.

COMMUNITY CENTRED

- Safe location in a small, close-knit local community
- Full extracurricular program
- International diversity
- Discipleship focused
- Caring Teachers
- Family oriented

Great Lakes benefits from being located in Beamsville, Ontario. The school is within walking distance of shops, grocery stores, and parks. Our welcoming environment focuses on mentoring students. We seek to build long lasting relationships within our school community.
