Welcome to

WISE OWL PRIVATE SCHOOL

Dear Prospective Families,

For 25 years, Wise Owl Private School has been more than just a place of learning—it has been a nurturing community where students are encouraged to grow, discover who they are, and build the confidence to become their very best selves. Guided by our belief to “Teach Your Children Well,” we take great pride in supporting not only academic success, but also the character, curiosity, and resilience of every child who walks through our doors.

We are deeply grateful to have been nominated three years in a row as one of the best schools in Ontario. This recognition is truly a reflection of the trust our families place in us and the care, passion, and dedication of our educators. While we are honoured by this acknowledgement, what means the most to us are the everyday moments—when a student feels inspired, supported, and proud of their growth.

At Wise Owl, we believe that every child is unique and deserves to be seen, heard, and valued. Through our small class sizes and supportive environment, we are able to truly understand each student, guiding them to reach their full potential both academically and personally. Our goal is to create a space where children feel safe, inspired, and excited to come to school each day.

It is a privilege to be part of our students’ journeys, and we would be truly honoured to welcome your family into our community—where we strive each day to truly teach your children well.

Warm regards,

Natalia Galinskaya

Head of School

Wise Owl Private School

WHY WISE OWL?

Wise Owl began with a simple but powerful belief: **Teach Your Children Well.** And for over 25 years, that belief has guided everything we do.

From the very beginning, this was never just a slogan. It was a promise — a promise to create a school where children are truly seen, deeply valued, and thoughtfully guided every single day.

At Wise Owl, emotional safety is not an extra — it is our foundation. Because when *children feel safe, supported, and understood, they don't just learn — they thrive.*

Since opening our doors in 2001 as Little Owl, we have remained committed to one core idea: the way a child is nurtured in their early years *shapes their confidence, identity, and success for life.*

That is why we focus not only on strong academics, but on the whole child — building confidence, resilience, curiosity, and kindness.

What Makes Wise Owl Different?

It's not just what we teach—it's how we teach: by listening closely to every child, building genuine relationships and trust, creating a safe space to explore and grow, and guiding each student to become a confident, capable, and compassionate individual who is truly seen and known.

Through our enriched programs:

Arts, Music and Drama

Children find their voice, build confidence and step beyond their comfort zones

STEM & Inquiry-Based Learning

Students develop critical thinking, creativity and a love for discovery - *learning that mistakes are part of success.*

Early Years Foundation

Our youngest learners begin their journey in a warm nurturing environment where they feel safe, loved and excited to learn.

Wise Owl is more than a school. It is a second home.

A community built on trust, compassion and respect

A place where childhood is protected and every child is given the opportunity to shine

Why Families Choose Us

- Children feel safe, supported and truly cared for
- Each child is deeply understood and valued as an individual
- Same class sizes allow for personalized attention and meaningful connections
- A strong balance of academic excellence and character development
- Students grow into confident, kind and resilient individuals

OUR PROGRAMS

KINDERGARTEN PROGRAM

Nurturing Early Learners

Our Kindergarten program focuses on developing foundational skills through inquiry and play based learning, social development and early literacy and numeracy. We create a warm and supportive environment where young children can thrive and discover a love of learning

ELEMENTARY PROGRAM

Building Strong Foundation

Our Elementary School program emphasizes core subjects, such as math, science, language arts, social studies and French. We provide engaging and well-rounded curriculum designed to build a solid academic foundation and foster critical thinking and creativity

JUNIOR HIGH PROGRAM

Guiding Growing Minds

Our Junior High program is designed to support students through a critical stage of development, where they begin to deepen their academic skills while discovering their independence and identity. With a strong emphasis on academic excellence, students engage in a structured and challenging curriculum that promotes critical thinking, problem-solving, and intellectual curiosity.

SECONDARY SCHOOL PROGRAM

Preparing for the Future

Our Secondary School program provides a rigorous and academically enriched environment designed to prepare students for post-secondary education and future career pathways. Aligned with the Ontario curriculum, students engage in advanced coursework that fosters critical thinking, analytical skills, and independent learning.

KINDERGARTEN PROGRAM

A Nurturing Foundation for Lifelong Learning

OUR APPROACH

At Wise Owl, our Kindergarten program is thoughtfully designed to support the whole child—academically, socially, and emotionally—ensuring each student feels confident, valued, and inspired to learn.

We focus on:

- Strong foundations in literacy, numeracy and early learning
- Hands-on, inquiry based STEM and discovery activities
- Small class sizes with individualized attention

PROGRAM HIGHLIGHTS

Literacy Development

Students develop early reading and writing skills through phonics, letter recognitions, storytelling, sentence formation and expressive language activities

STEM

Students explore, build, and experiment through hands-on activities, developing early problem-solving skills and scientific thinking in a fun and engaging way.

Numeracy Development

Students build foundational math skills by exploring numbers, counting, patterns, shapes and simple mathematical problems through fun and engaging activities

Elementary Program

GRADES 1–6

A Strong Foundation for Lifelong Academic Success

Our program is designed to develop core competencies across key areas of learning, including:

- ✓ **Advanced literacy skills** in reading, writing, and communication
- ✓ **Mathematical reasoning** and analytical problem-solving
- ✓ **Scientific inquiry**, investigation, and evidence-based thinking
- ✓ **Critical thinking**, creativity, and intellectual curiosity

At Wise Owl Private School, our Elementary Program is designed to nurture confident, curious, and capable learners during some of the most important years of their development.

We believe that when children feel safe, supported, and understood, they are able to truly thrive—both academically and personally.

Learning Beyond the Classroom

We believe education should be dynamic and inspiring. Our students benefit from:

- STEM and hands-on learning experiences
- Creative arts and expression
- Collaborative projects and presentations
- Opportunities to explore, question, and grow

Junior High Program

GRADES 7–8

Our Junior High program builds on the strong elementary foundation, focusing on independent thinking, responsibility, and critical analysis.

Students take ownership of their learning, engage in deeper inquiry, and strengthen their organization and study skills.

Through more focused and rigorous instruction, they develop research, writing, and problem-solving skills—preparing them for high school success in a supportive environment.

Building Independent, Future-Ready Learners

- **Advanced Literacy & Communication** – strengthening reading, writing, and analytical skills
- **Mathematical & Scientific Thinking** – applying problem-solving and inquiry-based learning
- **Critical Thinking & Research Skills** – analyzing information and building well-supported ideas
- **Independence & Organization** – fostering responsibility, time management, and readiness for high school

“Guiding students from curiosity to confidence—empowering them with the skills, independence, and mindset needed for lifelong success.”

SECONDARY PROGRAM

Grades 9-12

Building Strong Foundations for Future Success

Our secondary program offers Ontario Ministry-aligned credits in a supportive and academically focused environment, helping students build confidence, independence, and the skills needed for future success.

The program emphasizes consistent routines, clear expectations, and opportunities for both guided and independent learning. Students are supported in developing strong organizational habits, critical thinking skills, and a sense of responsibility in their academic work.

Small Class Sizes

Focused, supportive classroom environment

Individualized Attention

Personalized guidance to support each student

In-Class Instruction (Weekdays)

Structured learning Monday to Friday

Online Learning (Weekends)

Flexible credit courses available on weekends

STEM & Enrichment Program

INCLUDED IN OUR ACADEMIC EXPERIENCE

Inspiring Innovation, Creativity and Growth

At Wise Owl Private School, our STEM and Enrichment programs are seamlessly integrated into our academic curriculum to provide students with engaging, hands-on learning experiences. We aim to inspire curiosity, encourage exploration, and develop essential skills that prepare students for future success.

Program Highlights

- Hands-on science experiments and investigations
- Introduction to coding, robotics, and technology
- Real-world applications of math and science concepts
- Problem-solving through inquiry-based learning

Our Arts Program

— ✨ Where Creativity Comes to Life ✨ —

Where Creativity Comes to Life

At Wise Owl, we believe the Arts are at the heart of learning. From our youngest learners exploring colours to students performing on stage, we nurture confidence, encourage self-expression and celebrate the creativity in every child

Visual Arts & Creative Expression

- Painting, drawing and mixed media projects
- Seasonal and themed arts & crafts
- Exploring identity and emotions through art

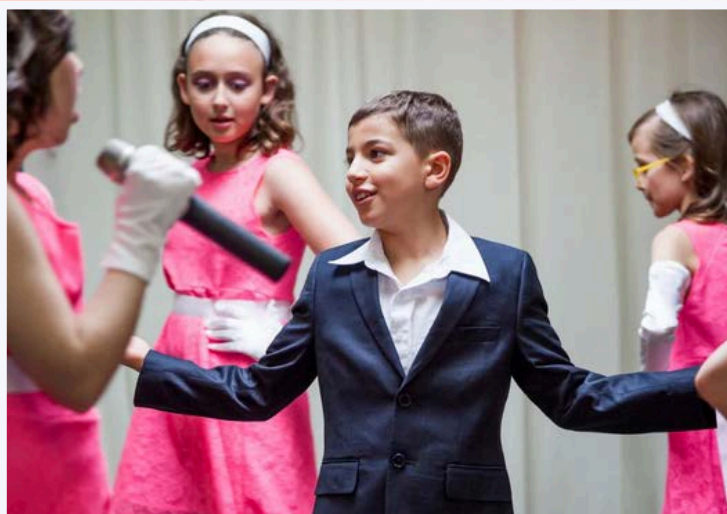

Performance & Stage Arts

- Annual concerts and theatrical productions
- Dance and movement performances
- Music and vocal presentations

Our Ballet Partnership

— ✨ We are proud and excited to continue ✨ —
our Partnership with the Russian Classical Ballet Academy.
Together, we create stunning high quality performances for our annual concerts that our students will remember forever.
